ASSIGNMENT OVERVIEW

Assignment Title: 1262340 - Technical Consultant LNG supply, LNG to Power - Seychelles

Assignment Countries:

- Seychelles

ASSIGNMENT DESCRIPTION

The Government of Seychelles (GoS) have reached out to the IFC to support in attracting private sector participation through a Public-Private Partnership, following a competitive tender process to design, finance, build and operate a ~ 75 MW LNG Power Plant under an Independent Power Producer (IPP) scheme. Also, to evaluate LNG procurement and supply solution.

IFC's engagement would be executed in two phases in 14 to 16 months, as follows:

Phase 1 - due diligence phase and transaction structuring

Phase 2 - tender preparation and implementation

As part of its mandate, IFC will appoint several consultants including a qualified technical firm to support in assessing Small Scale LNG procurement and supply solution and in particular an ISO container transportation system as exists in Madeira and various Caribbean Islands but also other virtual LNG pipeline options. The consultants will need to be qualified both in the technical aspects and in the preparation of technical documentation and scope of work to attach to a tender.
