**Alternative option for submission of offers due to covid-19 courier restrictions:**

Tenderers may submit their offers electronically to Mailbox Procurement MOZ's electronic address at [tendersmoz@enabel.be](mailto:tendersmoz@enabel.be). The offer should be submitted in pdf format, where the technical and financial offer are separate pdf files. Please note that if the file and email size exceed 35MB (maximum size that can be received by the Enabel Exchange server), the tenderer should send the files in different emails (a partial submission). The subject must clearly indicate the reference of the tender documents and whether it is a partial submission (e.g., "MOZ1503411-10022 Submission of tender" OR "MOZ1503411-10022 Submission of tender 1/3"). Only offers received within the deadline will be considered, therefore it is the tenderer's responsibility to ensure that the electronic offers are sent in due time. Please note that despite accepting electronic submission of proposals due to covid-19 restrictions, the tenderer is still required to send the hard copies of the complete offer before the tender is awarded, according to the instructions in section 3.5 of the Tender Documents.

All other terms and conditions of the tender documents remain unchanged. The above modifications and / or corrections to the tender documents are integral part of the contract notice.
